## Updates and Announcements

We have had a wonderful Fall here at Ja'Duke Preschool. Our students have been loving making new friends, doing singing, dancing and acting, and playing outside with their new classmates.

There aren't any new changes in the program, just some updates and announcements as we head into the holiday season.

Looking forward to a wonderful holiday season here at Ja'Duke Preschool.

Miss Kim and the preschool instructors

# Winter Clothes and Blankets

As we head into the winter, it's important to make sure that our students are staying warm and bundled. At the first snowfall please send the following things to stay at school:

- Snow pants
- Mittens (not gloves)
- Hats
- Winter Boots
- Thicker Blankets for Nap

## Holiday Breaks

### Thanksgiving Break

No Preschool November 26th - 29th

### Winter Break

No Preschool December 25th - January 3rd

### Optional Winter Break Care

We will be offering optional care over winter break for any of our preschool families from December 28th - 31st. We will aim at keeping all children in their normal classrooms for this week. Please email Kim either way at [jadukepreschool@gmail.com](mailto:jadukepreschool@gmail.com) and let her know if you will be needing winter break care. Pricing for optional break care is the same as normal preschool care. If you do not use care, it does not count towards your one week of vacation.
